Introduction

The main purpose of these book series (two volumes) is to provide you an impressive and invaluable collection of English synonyms and antonyms multiple-choice exercises.

By completing this book you will enhance and enrich your vocabulary skills. Your quest is to find the right synonym for the given word. It can either be a word with a close, similar meaning (depending on the context) or a word related to the one which you should find a synonym for.

This book is suitable for both medium and advanced English learners.

Please keep an eye on further releases and check my books on English Grammar.

Good luck!

First set of items

Write a review

I am constantly improving my books and my work, trying to deliver to my readers the best quality information. To improve my work and myself as a human being, I need organic reviews to know where I am wrong or where I have made mistakes. Remember, there is no such thing as a perfect book, it needs updates all the time, especially if it's digital. If this book has been useful to you, please, write a review with all your thoughts. It won't take more than 1 minute. If you didn't like something from this book, please contact me and I will try to solve your problem.

Honestly,
Daniel B. Smith
